a land of history

Gobekli Tepe is located in South East of Turkey, Near Urfa. The structures found are dated 11,000 years before (9,000 BC).

Although the site has been known since 1963, excavations by Urfa Museum and the German Archaeological Institute only started in 1995 and are still continuing.

A wide-angle photograph of a suspension bridge at night. The bridge spans a body of water, with its lights reflecting on the surface. In the background, a city skyline is visible under a dark sky. The text "Turkey is the bridge" is overlaid in a large, orange font.
